United, We Can

July/Aug 2009

President's Message

"UNITED WE CAN"

The theme for this year is "UNITED WE CAN".

We can do this in the following ways:

- ◇ **by** working together as a unified team of club members committed to our mission of improving the lives of women and girls both locally and around the globe,
- ◇ **by** continuing to work with the other Soroptimist clubs in Sonoma County to bring to bear our combined resources on our key projects that include the Breast Cancer Survivors Assistance Program and the Human Trafficking Awareness Programs,
- ◇ **by** strengthening our relationships with the American Cancer Society, YWCA, Interfaith Shelter Network, Catholic Charities and United Against Sexual Assault to better support each other in our common goals,
- ◇ **by** increasing our ties to the community through our schools, the Fire and Police Departments and our many Scholarship Programs through sharing our resources and raising public awareness of Soroptimist and our key issues.

My goals for this year include:

- Strengthening our existing relationships,
- Looking for new initiatives and opportunities,
- Bringing the power and knowledge of Soroptimist to bear in the community through Public Awareness, and
- Having FUN!

"UNITED WE CAN" accomplishes these goals and any others that we choose to take on.

I would like to thank the Installation Committee: Lucy Barnett, Helen Sager, Gwen Hall and Lola Haran for all their work in making Saturday such a wonderful day. A special thanks to Phyllis Rogers for her music and the staff at Chloe's French Cafe for their attentive service and delicious food.

In Service,

President Carolyn
