President's Message

Well Ladies, this is it, My Final Presidents' Message!

This last two years has taught me so much about myself as a leader, member and as a person. We have had some amazing highs and some lows that I hope to never repeat.

I want to leave you with this: **be kind to each other, listen to the ideas that we all share,**

Speak up if something does not feel right and show up and be a part of this amazing club.

We have spoken about change for the last few years now I think it is time to implement that changing process. There are amazing women out there who have a great deal to offer to our club we just need to be open to some new things,.

I want to say thank you for your continued belief and support in me. I know I will be a Soroptimist forever because of it.

It has been an amazing journey and I am looking forward to whatever my Soroptimist Future Holds

Your President,

Matia D. Anderson
